

Name: _____

The Fearless Aviator: Amelia Earhart

Amelia Earhart was a remarkable woman who soared through the skies and inspired the world with her daring spirit and love for aviation. Born in 1897, Amelia was fascinated by flying from a young age. Her passion for airplanes took off when she attended an airshow with her father, igniting a spark that would guide her extraordinary journey.

Amelia wasn't just any pilot—she was a **trailblazer**. In 1928, she became the first woman to fly across the Atlantic Ocean, although she wasn't the one flying the plane. She was a passenger on that flight, but it planted the seed for her historic solo flight across the Atlantic later on.

In 1932, Amelia set out on her solo flight, determined to conquer the Atlantic Ocean herself. She climbed into her red Lockheed Vega plane, named "The Friendship," and took off from Newfoundland, Canada. Battling fierce winds, icy conditions, and exhaustion, she flew for over 14 hours before landing in a field in Northern Ireland. Amelia Earhart had become the first woman to fly solo across the Atlantic, earning her a place in history.

But Amelia's ambitions didn't stop there. She dreamed of flying around the world, and in 1937, she embarked on her most challenging adventure yet—the **circumnavigation** of the globe. Tragically, during her flight over the Pacific Ocean, Amelia's plane disappeared. To this day, her disappearance remains a mystery that has **captivated** the world.

Amelia Earhart's legacy lives on as a symbol of courage, determination, and breaking barriers. Her passion for aviation opened doors for women in the field of flight, showing that with bravery and perseverance, anyone can reach for the skies. Her words continue to inspire, reminding us that "adventure is worthwhile in itself."

Vocabulary Words

captivated- attract and hold the interest and attention of

circumnavigation-traveling all the way around the world

trailblazer-a person who is the first to do something

Name: _____

The Fearless Aviator: Amelia Earhart

1. When did Amelia Earhart become the first woman to fly across the Atlantic Ocean?
 - a. 1928
 - b. 1932
 - c. 1937
 - d. 1945

2. What was the name of the plane Amelia Earhart flew for her solo flight across the Atlantic?
 - a. The Spirit of St. Louis
 - b. The Friendship
 - c. The Voyager
 - d. The Challenger

3. Where did Amelia Earhart land after her solo flight across the Atlantic?
 - a. Newfoundland, Canada
 - b. Paris, France
 - c. London, England
 - d. Northern Ireland

4. What was Amelia Earhart's next goal after her solo flight across the Atlantic?
 - a. Flying to the Moon
 - b. Circumnavigating the globe
 - c. Setting a speed record
 - d. Flying across Antarctica

5. What happened during Amelia Earhart's flight over the Pacific Ocean?
 - a. She broke the sound barrier
 - b. Her plane disappeared
 - c. She set a new distance record
 - d. She landed in Hawaii

6. Amelia Earhart's legacy is a symbol of:
 - a. Bravery and perseverance
 - b. Invention and innovation
 - c. Exploration and discovery
 - d. Teamwork and collaboration
